Directions

Time Duration Calculator

Enter earlier or start time information at "From:"

Enter later or end time information at "To:"

Enter hours and minutes. Select am or pm.

The hours entered must be a positive number between 1 and 12 or zero (0).

The minutes entered must be a positive number between 1 and 59 or zero (0).

Click "Click to Calculate" button. The number of hours and minutes between the two selected times will appear.

NaN = not a number

To clear the entry boxes click "Reset".

Clock Math Calculator

From a selected clock time, add or subtract hours and/or minutes

Enter clock time information at "From:"

Enter hours and minutes. Select am or pm.

Enter the number of hours and/or minutes you wish to add to or subtract from the clock time.

If the number of hours is greater than 24 hours, goto: [Add or Subtract days, hours and minutes from an entered date and time](#)

Select "add" or "subtract"

Click "Click to Calculate" button. The calculated clock time will appear.

To clear the entry boxes click "Reset".
